About the range

Just like your best friend, Organic Surge cares about you and has your best interests at heart, helping you to look and feel your natural best everyday.

We all know that looking and feeling good is more than skin deep; that's why we think carefully about the food we eat and how active we are. Chemicals are found in virtually everything we eat and use on our bodies. Most toiletries and skin care products are made from a mixture of harsh synthetic chemicals. Just think what we ask our bodies to cope with every single day!

Organic Surge loves your skin and feeds it what it craves; naturally-derived, skin-loving ingredients and certified organic essential oils. Always looking out for you, it contains no obscure or harsh chemicals for your precious skin to absorb. And just smell their delicious natural fragrances!

We formulate with passion and care to develop products that are better for you and the world around you. Through our charity work, Organic Surge is committed to making a real difference to the lives of vulnerable African orphans.

We Love

- Rich in pure plant extracts and organic essential oils
- Certified organic essential oils
- Cruelty free; no animal derived ingredients in development or manufacturing
- Kinder to your skin and the environment

We Leave Out

- Parabens, sodium lauryl/laureth sulphate
- Synthetic perfume, artificial colorants
- Chemical antioxidants mineral oils, petroleum, propylene glycol
- Aggressive foaming agents

Charity

Every single Organic Surge product sold contributes to our efforts to support Africa's most vulnerable children.

Integral to the Organic Surge brand are our ethical ambitions. Our ultimate aim is to develop a highly successful brand which helps in our efforts to release children from poverty, enabling them to live enriched, meaningful lives.

We take an unusually hands-on approach to charity work and have been known to send one of our team into a troubled area to give help directly at source, especially where vulnerable children are involved. Our work with the charities we support helps to provide accommodation, food, medical services, education and hope for the future.

Many millions of African children are orphaned or vulnerable through HIV/AIDS, disability and the affects of conflict. Our donations go towards creating educational scholarships in schools, helping the Kenya Children's Home Orphanage in Kenya and supporting the Watoto children's charity in Uganda.

Watoto places parentless children in families where their physical needs are met and they enjoy unconditional love and care. The Watoto children will grow and flourish into agents of change for future generations.

We are proud that, in 2009, Organic Surge donations funded the Baby Care Unit in Kenya Children's Home in Nairobi. The Baby Care Unit cares for 48 sick or abandoned children, from newborns to 2 year olds and Organic Surge funded all costs for nursing care, food and staff for the full year.

Happy Hair

Shine Boost Shampoo

FOR NORMAL HAIR

For happy-ever-after hair ... shine boost shampoo washes away the dirt, impurities and styling product residues that dull your hair. Citrus oils promote shine while natural moisturisers help to smooth and gloss the hair's surface. Shine boost shampoo gently cleanses and nourishes, leaving your hair feeling soft and healthy with a brilliant, natural shine.

Organic Surge shampoo is free from harsh foaming agents that strip hair of its natural oils and can cause scalp irritation. Enjoy the lightweight lather created by naturally-derived ingredients.

Use it this way: Wet hair thoroughly and massage shampoo into your hair from scalp to ends. Reapply if desired, then rinse well and follow with shine boost conditioner.

Shine Boost Conditioner

FOR NORMAL HAIR

For happy-ever-after hair ... shine boost conditioner combines grape seed oil and wheat protein to smooth and detangle. Natural moisturisers help to smooth and gloss the hair while antioxidant vitamin E protects from environmental damage. Shine boost conditioner gently detangles and glosses, leaving your hair feeling soft and healthy, with a brilliant, natural shine.

Use it this way: Use after shine boost shampoo. Massage shine boost conditioner through the lengths of your hair then rinse well.

Moisture Boost Shampoo

FOR DRY OR FRIZZY HAIR

For happy-ever-after hair ... moisture boost shampoo cleanses your hair and scalp without removing their natural protective oils. Seaweed extract, rich in proteins and minerals, works to smooth hair and boost moisture retention, restoring silkiness and

- Eyebright - used for centuries in natural care, reduces puffiness and redness to visually brighten the eyes
- Menthol - provides a cooling sensation on application absorbs quickly and is highly effective in reducing puffiness.

First Class Face Mask

FOR ALL SKIN TYPES

First Class Face Mask deep-cleanses and nourishes to give dull or dehydrated skin an instant boost. Skin-calming chamomile and soothing marshmallow deep-cleanse and nourish while natural oils and plant extracts give the skin a valuable burst of moisture. The non-drying, rinse-off mask works quickly to leave the skin clean, clear and revitalized.

Use it this way: Smooth over your face and leave for 5 minutes, then rinse off. Gently dry skin with a warm towel. Use weekly, or whenever skin needs a quick brightness boost.

First Class Face Mask natural actives:

- Lemon essential oil - naturally cleansing, lemon is also detoxifying in nature and helps to rejuvenate dull skin
- Rosemary essential oil - purifies and tones the skin
- Sweet orange essential oil - eliminates toxins and stimulates the lymphatic system
- Palmarosa essential oil - used in aromatherapy to calm and uplift
- Aloe vera - soothes and moisturizes skin
- Natural glycerin - a natural humectant which attracts moisture to the skin, allowing it to remain hydrated and soft.

ORGANIC SURGE®
